

Early Learning Council

AGENDA & MINUTES

April 13th, 2017

Attendees: Amy Egli, Ryan Stickla, Danielle Ludwick, Jenna Sanders, Lindsey Manfrin, Odi Campos, Ann Stevenson, Kristina Sheppard, Suey Linzmeier, Emily Broadwell, Jenn Richter, Emily Johnson, Kyle Williams Brown, Jordan Robinson, Audrey McLain, Mindy Larson, Ian Bergmann, Tonya Hill, Dr. Peg Miller, Cynthia Barthuly, Stephanie Legard, Lauren Berg, Josh Graves

Absent:

Guests:

Scribe: Miriam Vargas Corona

Time	Agenda Item	Detail	Motions/Approvals/ Action Item	Responsible Party
Meeting Goals: <ol style="list-style-type: none"> 1. To receive an update on Early Learning and other CCO activities 2. To provide input on the new CCO tagline 3. To learn about progress on Early Learning metrics 4. To receive an update on the Family Resource Center in Sheridan 5. To review 2016 Kindergarten Assessment data 6. To discuss what data the Council would like to review in June to determine our priority population for 2017-19 				
4:00	Introductions & announcements	<ul style="list-style-type: none"> • Family Resiliency Conference- April 18 • Child Abuse Prevention (Collective Change, Walks) <ul style="list-style-type: none"> ○ Juliette's House will also have activities this month 		Suey Linzmeier
4:10	Family Resource Center Update	<ul style="list-style-type: none"> • Family Resource Center in Sheridan. Partnership with the Sheridan School District. • Outreach worker, mental health, family supports. • Update handout distributed. Story shared about Sheridan Mothers and Babies class. • Community partners: United Methodist Church, Trinity Lutheran Church, Sheridan School District, Angel's Attic, Willamina Civic Club, Tina Miller Center, Sheridan Medical Center, Confederated Tribes of Grand Ronde, Sheridan Chamber of Commerce. 		Jordan Robinson, Audrey McLain

Early Learning Council AGENDA & MINUTES

April 13th, 2017

		<ul style="list-style-type: none"> • Outreach Interventionist is Krista Hill. Working with Faulconer Chapman staff to identify families and to support their outreach efforts too pre-school families. Lives in Sheridan and has community connections. She distributes diapers at Angel's Attic. • Currently in the process of getting community feedback about what services/resources are needed through a survey that is being developed. • Advisory Council currently has four local partners and is continuing to recruit more members. • Plan to hold Community Listening sessions. 		
4:20	CCO Update	<ul style="list-style-type: none"> • Bridging for Health update- Currently working with Robert Wood Johnson Foundation and Georgia Health Policy Center to work with large lending institutions to invest in upstream prevention programs. Will start in the fall to start a pay for success model with local key stakeholders. <ul style="list-style-type: none"> ○ Catholic Community Services is doing a pay for success project. Partnering with OHSU to work with health and human services. • Tagline review- the CCO Board will soon decide if we will invest in a consultant or do this work internally. 		Seamus McCarthy
4:35	Early Learning Update	<ul style="list-style-type: none"> • Legislative Update: <ul style="list-style-type: none"> ○ SB 182- Governor Brown has asked for \$7 million to support professional development. Is looking good. ○ HB 2985- Expands ERDC, not likely to pass. ○ HB 3069- creates Equity Innovation Fund- \$5 million to be distributed via grants to organizations during the 2017-2019 biennium. Hearing before the Early Childhood and Family Support Committee on Tuesday on April 18th. • ELD Site Visit: 		Jenn Richter

Early Learning Council AGENDA & MINUTES

April 13th, 2017

		<ul style="list-style-type: none"> ○ Partner surveys indicate that the greatest perceived strength is that the EL Hub raises awareness about early childhood and early learning in our region. Greatest perceived chance for improvement: Parents and families’ voices are heard and affect my EL Hub’s strategies and decision-making. ● Upcoming KPI Changes <ul style="list-style-type: none"> ○ Shift to more EVB strategies/activities ○ Building sustainability beyond ELD funding ○ Start tracking in-kind from schools ○ May be moving into separate contract -> greater flexibility ○ PSU will be tracking attendance and kinder registration ● Hub Indicators of Success. Scores 1-4. <ul style="list-style-type: none"> ○ Handout shared with scores for each indicator. ● Follow-Up <ul style="list-style-type: none"> ○ Quality Improvement Plan for 3 indicators ○ ELD to send report to state-level ELC in June. ○ Q1 plan- clarification of partner roles was suggested. 		
<p>4:40</p>	<p>Metrics Update</p>	<ul style="list-style-type: none"> ● QRIS providers serving children from “hot spots” were shared. ● Increase in percentage of families with children in ERDC. ● Increase in percentage of children who receive develop screening before 3yo. ● Increase in percentage of kids on OHP who make it to 6 or more well-child visits by 6 months old. ● Increase in percentage of kids in kindergarten with consistent school attendance by demographic group. Decrease in percentage of kindergarten children of color and from low-income families with consistent school attendance. Feedback: Tonya Hill had to manually input the demographics to the EL Hub report because it didn’t match the federal categories for 		<p>Jenn Richter</p>

Early Learning Council AGENDA & MINUTES

April 13th, 2017

		<p>demographic types. AmeriCorps VISTAS will be collecting data to present it to the ELC at the retreat.</p> <ul style="list-style-type: none"> • Increase in percentage of children in 3rd grade who are reading at grade level. • Decrease in disparities in percentage of 3rd grade children of color and from low-income families who are reading at grade level. Data comes from ODE, and may be skewed because McMinnville, Willamina, Sheridan, Dayton are now offering free lunches to all students. The ODE data counts all students as low-income. Suggestion- remove the all free lunch schools from the data. How do we track low-income students at schools? Public Health Epi staff could help to find data. Suggestion to remove the 2013-2014 because it doesn't use the same measurements as 2014-2015 and 2015-2016 measurements. The data for 2014-2015 can be the baseline for the county. • Increase in percentage of children enrolled in kindergarten before the start of the school year. 2016 baseline is 92.2%. • Not able to track shared kinder transition activities, families served that are on a waiting list, families served by DHS receiving EL, parent ed, or family support services. • Children First data shows rates of child maltreatment (shared by LCSNW). State provides data on founded, unfounded, reported cases but we are not sure if it is broken down by counties. Catholic Community Services, Fostering Hope was able to pull data by elementary school feeder district (open cases with DHS). 		
4:50	KA overview	<ul style="list-style-type: none"> • Increase in English letter sounds, Increase in Spanish letter names, increase in math numbers and operations, decrease in approaches to learning, increase in self-regulation, decrease in interpersonal skills. Schools do the assessments during different times in the year. Schools have learned how to do the assessment over the past 3 years. Teachers may interpret the assessment differently. 		Jenn Richter

Early Learning Council AGENDA & MINUTES

April 13th, 2017

5:05	Priority Populations	Will talk about priority populations at the ELC retreat in June.		Suey Linzmeier
5:25	Items for the Good of the Order	<ul style="list-style-type: none"> • Kinder registration is April 20th, except in McMinnville. • McMinnville preschools had registration today, 54/62 slots are taken already. • Head Start has a community partner survey for feedback about what families need. Funders would like to increase the number of service hours that children should receive. • Marion County partners are piloting two Service Integration Teams in the rural areas. 		Suey Linzmeier
5:30	Adjourn			

K12 Workgroup

GEM discussion – success, challenges, supports needed. Only 19/142 persons trained responded to the GEM survey. Emily J will send a reminder that will be sent out to principals and teachers about the approaches to learning? Pre- and Post- data averaged out would be okay. K12 to send EL Hub the Approaches to Learning Data by the end of May.

Should be a priority to train new kindergarten teachers and new Head Start teachers. Willamina feedback is that GEM should be continued into 1st grade to build foundation for the Good Behavior Game in 2nd grade. Yamhill-Carlton has seen success with GBG in the 1st grade.

May Agenda Items:

Declaration of Cooperation renewals
GEM and GBG presentations
