COMMUNITY RESOURCES IN SEPTEMBER

Dear Service Integration Teams,

As you all know, Rubi Ramirez will be leaving at the end of August. We are deeply grateful for the way she has invested in this community, bringing in new resources and creating collaborative teams across multiple sectors to address the needs of our families.

We are in the process of interviewing for her replacement, and we have several promising candidates. However, hiring and training takes time. We will be *temporarily closing* the Service Integration program effective August 31st until a replacement can be found. This includes funding and meetings. We will be in touch with all of you as soon as we have a clear picture of when we will be able to reopen.

Thank you for your understanding and your continued partnership in this work.
