(20 mins)	Behavioral Health Services	<p>Member feedback: Access to behavioral health services for children</p> <p>Social Emotional Health Metric (Kindergarten Readiness) slide deck shared</p> <ul style="list-style-type: none"> • This year YCCO is doing a deeper dive into Child Health Complexity – children 0 to 5 years of age with 3 or more social indicators <ul style="list-style-type: none"> ○ Approximately 110 children in the YCCO membership <ul style="list-style-type: none"> • 29 members with 0 services/touches • 8 members with only 1 service/touch • 4100 families in the YCCO membership have children ages 0 to 5 years • A resource flyer was made for this age group that lists all of the available behavioral health providers and other early childhood resources <ul style="list-style-type: none"> ○ Resouce flyer will go out to families of all children 0 to 5 years ○ Since the flyers were printed, there are six new providers and six waiting to complete their credentialing ○ Early Learning Hub will reach out to families of children 0 to 5 with zero to one services/touch ○ Same resource flyer was made for Washington County and will go out to about 300 families there • Behavioral Health Provider Asset Map was created will be imbeded within the YCCO web page in about 3 months <p><u>Feedback needed around these questions:</u></p> <ol style="list-style-type: none"> 1. In your opinión, has access for children ages 0-5 improved since we started focusing on this population? <ul style="list-style-type: none"> • There are more opportunities than there were before the pandemic for children 5 and under • Telehealth increased - children do not do well in therapy online 	Jeanne McCarty Christine House Jackson Ross

Time	Topic(s)	Details / Notes / Action Items	Name
5:10 P.M. (20 mins)	Behavioral Health Services	<p>2. What barriers do you encounter when trying to access MH services for you and your young child?</p> <ul style="list-style-type: none"> • When a child is in therapy and seems to be doing better, parents don't have the option to spread the appointments out more, then have to reapply when wanting to continue <p>3. What barriers and resistance do you believe prevent our Hispanic families from accessing mental health services for their young children?</p> <ul style="list-style-type: none"> • Transportation issues • Language barriers • Families with more than one child cannot bring other children to appointments when getting NEMT transportation • Multiple children in a car seat are not able to access transportation <p>4. Please share your ideas on ways to engage and normalize BH Services for our Hispanic population</p> <ul style="list-style-type: none"> • It doesn't help when an Anglo person is trying to normalize to a Latinx person • Warm hand offs • Addressing issues while child is young • Having somebody that looks like you and speaks like you that's had the same experiences is important <p>5. Please share any positive experiences you've had when accessing mental health or behavioral health services for you and your child.</p> <ul style="list-style-type: none"> • No answers given to this specific question <p>Group encouraged to share thoughts through emails if not comfortable sharing during the meeting.</p>	Jeanne McCarty Christine House Jackson Ross
5:30 P.M. (10 mins)	SHARE Funding	<p>CAC Approve SHARE Funding</p> <p>At last month's meeting, the CAC had a conversation about the applications received for this SHARE grant cycle. (20 mins)	Surveys	<p>Surveys: Grievance Update and LEP Review</p> <p>Grievance Update:</p> <ul style="list-style-type: none"> • The grievance survey has been finalized and sent out for use • The survey was reduced down to five questions <p>Limited English Proficiency (LEP) Survey:</p> <p>This survey is for people that don't speak English as their first language or at all. This survey is more expansive and focused on healthcare accessibility for the LEP population. This survey will be mailed out and/or given to LEP members at their appointments and is also incentivized.</p> <p>Group feedback on survey questions:</p> <ul style="list-style-type: none"> • CAC Member - The doctor office knew I needed an interpreter but one was not provided. • Question 6 - Waiting 2 months for appointments. Maybe one option should be waiting more than 2 months • Question 7 – It might be hard for some people to pick just one answer • Rosio – It is more important to have a person in person. • Question 8 should have an All of the above answer • What are you trying to get out of question 8? Is this intended to solicit the information or is it to help people know that this should be happening? <ul style="list-style-type: none"> ○ If a number of people answer health care workers should let me know, the CCO can focus resources on training health care workers to make sure they are asking the questions and letting members know about the services • Question 6 – add the words “have to” before 	Shanna Moon
