

Yamhill Community Care would like to share the following information as provided by the Oregon Health Authority:

---

## Thursday Project ECHO learning sessions for Oregon clinicians, noon to 1:15 p.m.

### Upcoming dates

April 30, 2020

May 7, 2020

**All Oregon clinicians are encouraged to register for these weekly interactive sessions to learn the latest information on best practices in clinical management, clinical practice safety, testing, and the community public health response.**

Hosted by the Oregon ECHO Network at OHSU, the sessions are staffed by Dr. Hargunani and Multnomah County Health Officer Jennifer Vines, M.D.

- A specialist panel, including other public health experts, clinicians, and epidemiologists, will share up-to-date knowledge, share COVID-19 clinical cases and answer questions.
- There will also be an opportunity for Oregon clinicians to present their own COVID-19 cases for discussion and recommendations.
- Participation takes place in a virtual meeting space — join from your own computer or cellphone.

To join, [sign up for the full Project ECHO series, March 19 through May 7, 2020](#), or Connect for individual learning sessions at <https://zoom.us/j/575366462>

**If you have questions about the Thursday learning sessions, email the Oregon ECHO Network at [oen@ohsu.edu](mailto:oen@ohsu.edu).**
