

Early Learning HubRequest for Proposals

Vision: All young children and their families engage in quality coordinated resources that support their growth, development and a health life trajectory.

Mission: The Yamhill Early Learning Council will work collaboratively to support coordinated systems that are child-centered, family friendly, culturally and linguistically appropriate, and community-based to meet the needs of the Yamhill County population and communities.

BACKGROUND

Yamhill Community Care Organization's Early Learning Hub is releasing funds for projects that will occur between January 1, 2020 and June 30, 2021. These funds will support programs that address the Early Learning Hub Strategic Plan, found here: http://yamhillcco.org/about-us/early-learning-hub. Projects must address one or more of the three Early Learning Hub outcomes:

- The early childhood system is aligned, coordinated and family-centered
- Children are supported to enter school ready to succeed
- Families are healthy, stable and attached

Proposed projects must serve populations 0-8 years old and their families. For more specific information about funding requirements, see the table in Exhibit A.

ELIGIBILITY AND FUNDING REQUIREMENTS

Applicants must be 501(c)3 or public agencies. Multiple agencies may collaborate on a project or application, but only one agency may apply as the fiscal sponsor. YCCO will not read or provide feedback on applications in advance of submission, but will answer questions and provide technical support in completing the application.

Funding will not be awarded:

- i. To individuals or in the form of scholarships
- ii. For political purposes
- iii. To disburse subgrants
- iv. For any non-charitable purposes outside of the meaning of OAR 501(c)3

Programs addressing populations that are historically or systemically underserved and populations that exhibit ethnic, linguistic, economic, academic, or other disparities will be given preference.

Applicants must submit a current W9 for the applying agency in order to receive payment. If personal health information (PHI) or other confidential information will be exchanged, awardees will sign a Business Associate's Agreement with YCCO. Awardees may be required to submit other financial or organization-specific paperwork upon receipt of grant.

FUNDING

YCCO Early Learning Hub is disbursing multiple funding streams with varying program requirements and limitations. YCCO EL Hub will determine which funding stream is most appropriate for individual programs. See Exhibit A for list of funding streams.

Funding will be reimbursable only and will require documentation of expenses. Each award will be between \$5,000 - \$20,000, depending on the program and agency.

TIMELINE

Funding will be administered for the program as follows:

September 12th, 2019 Request for Proposals released

November 1, 2019 Applications due December 1, 2019 Awards announced

January 1, 2020 Funding agreements effective

After contracts are executed, funds will be reimbursed quarterly after receipt of narrative and expenditure report.

REPORTING

Reporting will occur quarterly. Reports are due 15 days after the end of each quarter, unless otherwise agreed-upon. YCCO will provide templates and technical support for completing reports, including one pre-implementation in-person or phone reporting meeting.

YCCO Early Learning Hub requires funding recipients to report, at minimum, the race/ethnicity and primary language of individuals served by the project, as well as the age of all children impacted. Reports will include a section detailing the demographics of populations served, narrative summary of activities held during the reporting period, and an expense report. If project-related funds were expended during the reporting period, report will include an invoice for expenses.
