

Passport To Languages for Providers

Yamhill CCO coordinates and pays for interpretation services for Members' medical appointments for covered services through the Yamhill CCO preferred vendor, Passport to Languages (PTL).

To arrange for an interpreter to be present during an appointment or for telephone interpretation the Provider can call PTL at 503-297-2707 or request services via the Passport to Languages website. The Provider must submit a request at least two (2) working days prior to the appointment date. PTL's Customer Service staff sends a fax or email to the Provider's office to confirm that interpreter arrangements are complete.

Interpreter requests can also be made online:

It is the responsibility of the clinic or Provider to offer appropriate communication in the language the Member prefers at all points of contact and information sharing. The Language Access Toolkit provides additional details as well as reporting language access information.
