

Yamhill Community Care would like to share the following information as provided by the Oregon Health Authority:

Join OHA on Friday, April 17
OHA to host COVID-19
telemedicine/telehealth webinar for CCOs
and Oregon Health Plan providers, noon
to 1 p.m.

Please join the Oregon Health Authority (OHA) for [a webinar this Friday, April 17, April 17, 2020, from noon to 1 p.m.](#) Please register early as registration is limited.

Intended audience:

OHP providers (physical health, behavioral health and oral health) and billing staff, coordinated care organizations

What you will learn:

At this webinar, OHA will share updated guidance on coverage and billing standards for telemedicine services during the COVID-19 emergency. Subject matter experts will address questions received since the April 6 webinar.

Topics will include:

- Billing provider-to-provider consultations and services provided by synchronous audio/video, telephone or online patient portals
- Detailed billing information related to fee-for-service Medicaid
- Information about OHA's expectations for CCO coverage of telemedicine/telehealth services.

During the webinar, there will be a hosted Q&A session using the chat function on your computer. You will need to use your computer's audio for sound, and everyone will be muted during the webinar. There is no call-in option.

Join us on Friday, April 17, from noon to 1 p.m. PDT.

To register, go to

<https://attendee.gotowebinar.com/register/5095726627610411278>.

If you are not able to attend:

A recording of the webinar will be available on OHA's [COVID-19 health care partner resource page](#). OHA will send the slides to registered participants

before the webinar begins at noon.

Questions?

For questions about webinar logistics, please contact [Tom Cogswell](#) (971-304-9642).

To submit questions following the webinar, please email COVID.19@dhsosha.state.or.us.
