What Is Non-Emergent Medical Transportation

Non-emergent medical transportation or NEMT is a service that provides free rides for YCCO members to covered healthcare visits or services, including health-related services. The name of the YCCO NEMT provider is WellRide.

Who Can Use NEMT

Any YCCO member. Rides can be set up by a member or a member representative.

How Much Does NEMT Cost

NEMT is free. Members are never charged for rides by WellRide, YCCO, Transport Providers or Drivers. Members do not have to pay for rides even if YCCO, WellRide, or Transport Provider denies the ride payment for the service.

WellRide Contact Info

If you need help getting to your non-emergency medical, dental or behavioral health visits, call YCCO WellRide.

YCCO WellRide

Toll-free: 844-256-5720

TTY/Oregon Relay Service: 711

Hours of operation: 7:30 a.m.-6 p.m., Monday-Friday

Covered NEMT services are provided 24 hours a day, 365 days a year.

WellRide has afterhours Customer Service, call our toll-free telephone number if you need help after hours. There is a message in English and Spanish, explaining how to access alternative arrangements after hours. If you leave a message after hours and the message is clear and includes a valid phone number, we will respond to the next workday. WellRide will make attempts to contact you until they do or, if not able to reach you, a message will be left. Call Center staff document all efforts to return your call or respond to a message.

WellRide's call center is closed on New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.

Calling WellRide

The first time you call, we will tell you about NEMT and talk about your ride needs.

Setting Up a Ride

When you call to set up a ride, we will ask for:

- Name of member and birth date
- Pick-up address
- Your phone number
- YCCO Member ID number
- Name of doctor or clinic
- Address of doctor or clinic
- Date of visit
- Time of visit
- Pick-up time after visit
- Any special needs, like a wheelchair
- How mobile the rider is
- Will a person go with the rider
- How you want us to contact you (phone call, email, or fax) and the time of day

Rides for Children

When you call to set up a ride for a child 12 years of age and under, we also will need to know:

- The child's name
- Member ID number
- Birth date
- If your child requires a child seat
- The name of the adult who will be with your child

Rides can be:

- Set up to 90 days in advance.
- For more than one service or those that reoccur up to 90 days in advance.
- Same-day visits.

WellRide's Responsibilities When You Set Up a Ride

When you call to set up a ride WellRide will:

- Make sure member is on YCCO OHP, this includes Full Benefit Dual Eligible (FBDE) members.
- Confirm the ride is to an OHP covered service or health-related services.
- Confirm if a secured ride is needed.
- Tell you the ride info during the call or as soon as the ride is set with a driver.
- All rides will be set in place prior to the date of the visit and the rider will be notified.

- Once ride is set up WellRide will tell you:
 - the name and phone number of the NEMT provider,
 - set time,
 - address of your pick up, and
 - name and address of the provider visit.

We give rides outside of the area for covered OHP services.

Full Benefit Dual Eligible (FBDE) Members

When FBDE require travel within YCCO service area or outside the service area if NEMT services are not available within YCCO service area, YCCO will pay for any cost-sharing, including the cost of the NEMT service. The ride request must be for a covered OHP service or health-related service and will be confirmed.

Rides Not Approved

If your ride is not approved you will be told within 24 hours of your request, this time may be shorter to make sure you arrive in time for your visit. When we do not approve a NEMT ride a letter will be mailed to you. This letter is called a notice of adverse benefit determination or NOABD. You can learn more about rides that are not approved and your appeal and hearing by calling Customer Service or look in the Grievance System section of this guide it starts on page 12.

Determination of Ride Mode and Appropriate Level of Service

WellRide will make all determinations of the mode of ride and the proper level of service. The mode of the ride is the way in which you are driven one place to another. Some types of modes are a wheelchair van or sedan.

WellRide will review the following about each rider to determine the mode of ride:

- Ability to walk, and if they need a walker, cane or wheelchair.
- Ability to move or be moved.
- Ability to carry out activities of daily living.
- Need for assistance and if they have an attendant, they meet the attendant requirements.
- Special conditions or needs including physical or behavioral health conditions.

Attendant Info

An attendant is the person to ride with the member the NEMT ride is for. Not everyone can have a person ride with them. The member must be a child 12 years old and under or a member of any age with physical or behavioral needs. Attendants do not have to pay to ride with you. There are requirements for attendants they are:

- Parents or guardians must provide the attendant to ride with those that can have someone ride with them to and from YCCO covered services except when:
 - The driver is a Department of Human Services (DHS) volunteer or employee or an Authority employee;

- The member requires secured transport; or
- An ambulance provider transports the member for NEMT services, and YCCO pays the ambulance provider.
- NEMT ambulance transports shall have an attendant when YCCO uses an ambulance to provide wheelchair or stretcher care or van rides.
- A member's mother, father, stepmother, stepfather, grandparent, or guardian. They may also be any adult 18 years old or older authorized by the member's parent or guardian.
- Attendants must ride with the member from the pick-up location to the visit and the return trip.
- Member's parent or guardian, or adult caregiver shall provide and install safety seats. NEMT drivers can not transport a member if a parent or guardian fails to provide a safety seat that meets the state law.

Changes and Safety

There are times when a ride may need changed:

- Rider has a health issue that can be a direct threat to the driver or others in the car.
- Rider makes threats of harm to the driver or others in the car.
- Rider takes part in behavior or creates a state that puts the driver or others in the car at risk of harm.
- Rider cancels a lot or does not show up for their rides on the date the rides are set for.
- Is required, in our judgment, to make sure providers will provide the covered services to a member.

Secured Transports

Secured transport is an NEMT service for the involuntary transport of a members who are in danger of harming themselves or others. Secure transports may be used when:

- WellRide has made sure the secured transporter has met all state and federal rules and able to transport the member who is in crisis or at immediate risk of harming themselves or others due to mental or emotional problems or substance abuse; and
- The transport is to a Medicaid facility that is recognized as being able to treat the urgent medical or behavioral health care need of the member in crisis.

Bad Weather and Back Up Plans

WellRide will give rides for members who need critical medical care during bad weather. Bad weather can include extreme heat or cold, flooding, heavy snowfall or icy roads. Critical medical care examples are chemotherapy and renal dialysis. WellRide will call you when there is bad weather and work with you and your provider on the best option for you.

There are back up plans for unexpected peak transportation demands and when a ride is really late (more than 20 minutes) or is not able to make the set ride service. WellRide will call the rider and tell them new ride info as soon as they can. If they cannot get a new driver then WellRide will tell you and work with you and your provider on the best option for you.

Member Pick Up and Drop Off

- Drivers will tell you when they arrive for ride pick up and will wait at least 15 minutes after the pick-up time.
- If rider does not appear or is not ready for pick up after the 15 minutes, the driver will tell WellRide before they leave.
- Drivers give level of service to fit needs (curb-to-curb, door-to-door, or hand-to-hand).
- Drivers will not drop off at visit more than 15 minutes prior to the office opening unless rider, rider representative, guardian, or parent ask.
- Riders will be dropped off for their visit no less than 15 minutes prior to visit time to prevent the drop off time from being considered a late drop off.
- Riders will not arrive at their visit more than 1 hour before the visit time.
- The wait time will not exceed 15 minutes past the set pick up time.
- Set pick up times will allow the right amount of travel time to make sure the member has time to check in for their visit.
- Drivers will not pick up from visit more than 15 minutes after the office closes, unless rider, rider representative, guardian, or parent ask for pre-set rides.
- For return trip rides that are not pre-set, WellRide will make sure that rider is picked up within one hour after they are notified.
- If a ride change is needed with no warning, WellRide will find ways to set up the trip with another NEMT driver if necessary.
- Drivers or WellRide will not change pick up time without prior documented YCCO approval.
- If the driver arrives before the set pick up time, the rider does not have to get into the car until set pick up time.

Member Rights and Responsibilities

- You will be told the ride info during the ride set up. If this cannot occur, contact will take place the way (phone call, email, text, fax) and the time of day you prefer, to notify of the ride info as soon as it is set in place and prior to the date of the ride.
- Info about your ride must include:
 - Name and phone number of the NEMT provider,
 - visit time and address of pick up, and
 - name and address of the provider for the member visit.
- Members do not have to determine if their ride has been set. They will be told about their ride at the time they call to set it up or WellRide will contact them with the info.
- You or your representatives, with written permission, may request NEMT services. A representative may be a Community Health Worker, foster parent, adoptive parent, or other provider given permission.
- You or your representative may set up same day rides.
- You will be set up with a NEMT provider that best fits your needs upon approval of the ride. You will not be held to a fixed route provider.
- Approving and setting up, or denying, a ride with all parts of the trip will occur within 24 hours, this time may be shorter to make sure you arrive in time for your visit.
- Staff who schedule rides watch over all trips and will give updated info to drivers. They watch over drivers' locations and fix pick-up and drop-off issues.
- NEMT staff will help with ride changes, including:
 - unforeseen set up changes; as well as
 - Timely changes of the affected trip to another NEMT provider if necessary.
- No NEMT driver will change the set pick-up time without prior, recorded permission from WellRide.
- Members have the right to file a complaint and request an appeal.

If you want to learn more about WellRide, visit our website at:

<https://yamhillcco.org/members/transportation/>

Grievance System (Complaints, Appeals & Hearings)

You can file complaints for any YCCO Oregon Health Plan benefits, including non-emergent medical transportation. YCCO, WellRide, or drivers may not stop or try to stop you from making a complaint about a problem you made a complaint about before or from making a complaint to both YCCO and WellRide.

YCCO, its contractors, subcontractors and participating providers cannot:

- Stop a member from using any part of the grievance system or take punitive action against a provider who ask for a fast result or supports a member's appeal.
- Encourage the withdrawal of a grievance, appeal, or hearing already filed; or
- Use the filing or result of a grievance, appeal, or hearing as a reason to react against a member or to request member disenrollment.

YCCO will not take punitive action against any provider who ask for a fast result decision or supports a member's grievance or appeal.

Complaints

You can file a complaint about any matter other than a notice of denial and at any time orally or in writing.

If you need to file a complaint you can do so on your own, or with help. You can have a representative of your choice, such as your provider, file the complaint, grievance, or appeal. To do this, you must give written consent.

Examples of reasons you may file a complaint are:

Access to getting a ride:

- Problems getting a ride.
- Problems setting up a ride

Discrimination:

- Not feeling respected or understood by drivers, WellRide or YCCO

Appropriateness of your service:

- The service you had was not the type to fit your needs.

Quality of Service:

- You did not like the service you had.
- The driver, WellRide or YCCO did not answer your questions.
- You got a bill for your ride.

Quality of Care:

- Driver or car safety

If you want more info about the YCCO Grievance System, such as policies and procedures or member notice templates, call Customer Service. If you email your request to keep your personal info secure make sure you type "secure" in the subject of your email.

How to make a complaint or grievance

YCCO and our providers want you to get the best care possible. If you are unhappy with YCCO, WellRide, your health care services, your provider or driver, you can complain or file a grievance. We will try to make things better. Just call Customer Service at **844-256-5720** (TTY 711).

If you want to put your complaint in writing you can mail, email or fax us a letter. You can also use the OHP form here

Appeals

If we deny, stop, or reduce a service you ask for, we will mail you a letter explaining why we made that decision. When you make a request for a ride or send in for reimbursement for mileage before we send you a denial, we will have the request reviewed by a second employee to make sure the denial is correct.

YCCO will mail the NOABD within 72 hours of the denial to the member denied a ride and the provider or other third-party with which the affected member was scheduled for an appointment provided that the provider is part of WellRide's provider network. If you are told your request is denied over the phone but do not get a NOABD after the 72 hours you can call Customer Service and ask for one to be sent to you.

Once you receive it you can appeal your denial, or you can call Customer Service and ask to file one over the phone. You, your provider with your written consent or your authorized representative have a right to ask to change it through an appeal and a state fair hearing. You must first ask for an appeal no more than 60 days from the date on the NOABD letter.

If your appeal decision does not change the denial you can then ask for a state fair hearing. You must ask for a hearing within 120 days from the date on the Notice of Appeal Resolution (NOAR) letter.

Reasons you may file an appeal:

- You can ask to be paid for mileage for non-emergent medical appointments was denied.
- You were denied a request for a non-emergent medical transportation service.
- You were denied a service in full or in part.

How to appeal a decision

In an appeal, a different health care professional at YCCO will review your case. If you want help with your appeal, call Customer Service and we can fill out an appeal form for you to sign.

You can ask your authorized representative, a certified community health worker, peer wellness specialist, or personal health navigator to help you.

You will get a NOAR from us in 16 days letting you know if the reviewer agrees or disagrees with our decision.

If we need more time to do a good review, we will send you a letter saying why we need up to 14 more days.

Dual-eligible Members and Appeal Rights

If you are enrolled in both YCCO and Medicare, you may have more appeal rights than those listed. You can also call Medicare to find out more on your appeal rights with them.

Continuing Benefits During Appeal

If you were getting the benefits we denied prior to the denial, you can keep getting them during your appeal or hearing process.

You must ask for benefits to continue within 10 days of the date on the NOABD letter.

If You Need a Fast Appeal

If you, your provider with your written consent, or your authorized representative believe that you have an urgent medical problem that cannot wait for a regular appeal, tell us that you need a fast appeal. We suggest that you include a statement from your provider or ask them to call us and explain why it is urgent.

If we agree that it is urgent, we will call you with a decision in 72 hours or fast as your health condition requires. If more time is needed to resolve your appeal and it is in your best interest or you ask for it, we will call you or within 2 days we will send you a letter telling you why and resolve your appeal within 14 days.

Administrative Hearings

After an appeal, you, your authorized representative, or your provider with your written consent can ask for a state fair hearing with an Oregon Administrative Law Judge.

Reasons you may file a hearing:

- Your appeal request was not approved, and the denial overturned.

You will have 120 days from the date on your NOABD to ask the state for a hearing.

Your NOAR letter will have a form that you can send in

At the hearing, you can tell the judge why you do not agree with our decision and why the services should be covered. You do not need a lawyer, but you can have one or someone else, like your doctor, with you.

If you hire a lawyer, you must pay their fees.

A hearing takes more than 30 days to prepare. While you wait for your hearing, you can keep on getting a service that already started before our original NOABD decision to stop it.

You must ask the state to continue the service within 10 days of the date of our NOAR that confirmed our denial.

Once your hearing takes place and is resolved you will receive a letter (called a "Final Order" telling you the results of your hearing.

Fast Hearings for Urgent Healthcare Problems

If you believe your medical problem cannot wait for a review you can ask for a fast hearing.

Include a statement on a from your provider explaining why it is urgent.

OHA will decide if you are entitled to an expedited hearing within, as nearly as possible, two workdays from the date they receive your fast request documents. If OHA Hearings

Unit denies a fast-hearing request, they will make reasonable efforts to give you prompt oral notice and mail a written notice within two days.

If OHA approves your fast hearing, upon receipt of hearing documents, OHA will resolve your fast hearing no later than three workdays.

Continuing Benefits During Hearing

If you were getting the services we denied prior to the denial, you can keep getting them during your hearing process. You must ask for benefits to continue within 10 days of the date on the NOAR.

Rider Safety and Comfort

The driver will obey local, state, and federal transport safety and comfort standards.

The car will have all of these safety devices:

- Safety belts for all riders if the car is legally required to have them
- First aid kit
- Fire extinguisher
- Roadside glow in the dark markers or warning devices
- Flashlight
- Tire snow chains when needed
- Throw away gloves
- All gear to drive riders using wheelchairs or stretchers if they use one.

Car and Driver Requirements

Car requirements:

- Clean and free of trash
- No smoking is allowed in cars
- No aerosolizing or vaporizing of if inhalants is allowed in cars
- Safety equipment above
- Safety equipment to securely drive members using wheelchairs or stretchers
- Upkeep done as suggested by car maker
- The car's seat belts, horn, heating, air conditioning, ventilation, turn signals, headlights, taillights, windshield wipers all work. The car must have side and review mirrors
