
2019 COMMUNITY HEALTH ASSESSMENT

WHO WE ARE

COMMUNITY HEALTH ASSESSMENT VISION

Our healthy community is accessible and inclusive, has diverse resources, and focuses on social determinants of health and trauma-informed care. Our healthy community provides and promotes regular preventative care, in partnership with medical providers, to support healthy families and individuals.

YCCO VISION

A unified healthy community that celebrates physical, mental, emotional, spiritual, and social well-being.

YCCO MISSION

Working together to improve the quality of life and health of Yamhill Community Care Organization members by coordinating effective care.

SOCIAL DETERMINANTS OF HEALTH

AFFORDABLE HOUSING

52% of County residents don't have affordable housing.

**Based on the percent of the population that pays more than 30% of their income on rent.*

1,386 people were counted as living in shelters, in unsheltered locations, or couch surfing during the 2018 YCAP Homeless Count.

In need of housing support?

Reach out to YCAP by calling 503-472-0457 or visiting yamhillcap.org/shelter.

“ People are leaving the whole county because there’s not housing anywhere...they are on housing waiting lists for years and years. ”

-Newberg SIT

These are the main factors, or social determinants, that influence and impact the health outcomes of individuals and groups.

TRANSPORTATION

In rural communities the bus only runs 5 times a day during the week and not at all on the weekend.

YCCO offers free transportation to medical appointments for all OHP members.

Call 1-844-256-5720 to schedule a ride.

“ Even available childcare is all booked up; people can’t leave children to go to work. ”

-Grand Ronde SIT

FAMILY & YOUTH

#1 Respondents voted that access to affordable healthy food was the top factor that might improve children's well being in Yamhill County.

As of 2018, the median annual price of toddler care in Yamhill County is

\$11,844

DO YOU KNOW?

67% of single mothers in Yamhill County live under the poverty line.

“ There are a lot of resources, but if families can’t make it to them it’s not helpful. ”

“ [I] can't get in [to the doctor's office] the same day anymore, but I used to. They want you to go to the ER instead of trying to fit you in...[you] feel like you're just a number. ”

MOBILIZING FOR ACTION

NEXT STEPS

Yamhill Community Care surveyed 571 people in the community, held over 15 focus groups, and used national, state, local, and health plan data to understand what is going on in the community. This information will be used to inform and guide the development of goals and strategies to address identified needs in the Community Health Improvement Plan (CHIP) with the overall goal of improving the health of Yamhill CCO members.
