YCCO SHARE Funding Info

Vision: *A unified healthy community that celebrates physical, mental, emotional, spiritual, and social well-being.*

Mission: *Working together to improve the quality of life and health of the community by coordinating effective care.*

BACKGROUND

SHARE: Supporting Health for All through Reinvestment

- SHARE is a program that allows CCOs to reinvest funds in their communities to address health inequities and SDOH-E.
- Requirements intend to increase strategic, community-aligned SDOH-E spending, as well as the tracking and transparency on spending.

SHARE Primary Goals:

- Safeguard public dollars by requiring a portion of CCO profits be reinvested in their communities.
- Improve member and community health by requiring reinvestments go toward upstream factors that impact health (i.e. housing, food, transportation).

PROPOSAL TOPICS

All proposals must meet the following criteria:

- **Requirement 1:** Spending must fall within SDOH-E domains and include spending toward a statewide housing priority:
    - Economic stability
    - Neighborhood and built environment
    - Education
    - Social and community health
    - A portion of a CCO's SHARE Initiative spending must be spent on housing-related services and supports.
- **Requirement 2:** Spending priorities must align with community priorities from Community Health Improvement Plans (CHPs).
    - Identify common health outcomes/common priority populations.

The CHIP priorities are as follows:

Housing | Food and Nutrition | Infants and Children

Mental Health and Substance Abuse | Emergency Preparedness

Access to Healthcare | Transportation

ELIGIBILITY AND FUNDING REQUIREMENTS

Applicants must be 501(c)3 organizations, Tribes, Urban Indian Health Programs or public agencies. Exceptions may be made if that applicant or program is clearly addressing community need and demonstrates ability to share accounting practices transparently as needed to assure funds, if awarded, are spent as public benefit. Multiple agencies may collaborate on a project or application, but only one agency may apply as the fiscal sponsor. YCCO staff will be available to answer questions and provide technical support in completing the application. Email funding@yamhillcco.org with questions or requests for TA.

Funding will not be awarded:

    i.   To individuals or in the form of scholarships
    ii.   For political purposes
    iii.   To disburse subgrants
    iv.   For any non-charitable purposes outside of the meaning of Chapter 65 of Oregon Administrative Rules regarding 501(c)3 corporations
    v.   Funding for projects must not supplant existing funding streams for systems or programmatic work
    vi.   For any activities that may be a covered Medicaid benefit, including delivery of medical, behavioral health, oral health, or traditional health worker services
    vii.   For any activities that have been completed before the award is received, or that end before December 27th 2023.

Programs addressing populations that are historically or systemically underserved, including Tribes, and populations that exhibit ethnic, linguistic, economic, academic, or other disparities will be given preference. SHARE funding *can* be awarded for capital expenses.

Applicants must submit a current W9 for the applying agency in order to receive payment. If personal health information (PHI) or other confidential information will be exchanged, awardees will sign a Business Associate's Agreement with YCCO. Awardees may be required to submit other financial or organization-specific paperwork upon receipt of grant.

TIMELINE

Funding will be administered for the program according to terms identified during contract development. Typical awards are disbursed on an annual cycle, with final reporting due thirty days after the end of the yearlong project period.

The Request for Grant Proposals released:	**August 1st 2023**
Applications due:	**September 15th**
Awards announced:	**October 18th 2023**
Agreements released:	**November 1st 2023**
Payment disbursed:	**December 27th 2023 if not prior***

*Note: this timeline is contingent on receipt of necessary documents needed for payment outlined in this agreement
Email funding@yamhillcco.org with questions or to be added to the mailing list.

FUNDING

The number of projects awarded will be determined based on applications. Funding will require documentation of expenses and submission of one midyear report and one final report.

REPORTING

Reporting will occur biannually. Final reports are due 30 days after the end of the grant cycle unless otherwise agreed-upon. YCCO will provide templates and technical support for completing reports, including pre-implementation in-person or phone reporting meetings.

I. CONTACT and ORGANIZATIONAL INFO

II. PROJECT INFORMATION

Describe your project. What is the demonstrated need in your community to fund this program? Is this a new project, expansion, or an existing project? What are the demographics of your population? How will this project target and engage with the populations served or impacted?

III. ORGANIZATIONAL CAPACITY

Identify main points of contact and roles for members of the project team.

IV. SUSTAINABILITY PLAN

Describe how you intend to continue the work of your project after the funding has been spent.

V. IMPLEMENTATION PLAN AND TIMELINE

Include a timeline of events and milestones required to complete your project

VI. BUDGET

Email funding@yamhillcco.org to request budget template if needed. Include in budget fees to background check any employees or volunteers who will have unsupervised contact with children.

VII. DATA COLLECTION AND REPORTING CAPACITY

What is your agency's ability to collect and evaluate data? What kind of systems or tools are used? Is your organization able to share data with YCCO and sign a Business Associate Agreement if personal health information will be shared?

VIII. OUTCOME MEASURES

How will your program measure success? List at least three outcomes you intend to track through your program and what goal or milestone you intend to achieve by the end of the

project. How will you measure these outcomes? How will you ensure the fidelity to the evidence-based program? What current accountability measures are in place to measure program outcomes? If awarded, YCCO may independently evaluate the program, and there is an expectation the grantee will cooperate with these processes.

IX. TECHNICAL ASSISTANCE

List any technical assistance needs you anticipate in implementing the proposed project. This may include assistance in completing this application. These projects will be collaborative with YCCO and guided by its Community Prevention and Wellness Committee.

X. DISCLOSURES

List any conflicts of interest you may have if you receive funds from YCCO. This may include, but is not limited to, members of your organization sitting on any of YCCO's committees or governance boards, your organization already receiving funds from YCCO, or if any family members of applicant organization representatives are on YCCO's staff.

XI. ATTACHMENTS

Include letters of support as appropriate.
